

# Easy Fleece Jackets™

Easy Fleece Jackets provide instant protection from frost and harsh weather, but will allow air and moisture to filter through maintaining healthy growth. Manufactured from soft-green, high quality U.V. stabilised, extra thick 35gsm polypropylene fleece, with integral drawstring for easy and practical use. Easy Fleece Jacket Display Bins are available for each size of Fleece Jacket.

**Grow It!**  
 “Ideal for protecting specimen plants in containers”  
 Mar 2010

## Large Easy Fleece Jacket (2 pack)

- Ideal for over wintering large, exotic and tender container plants, e.g. palms, cordalynes etc

## Medium Easy Fleece Jacket (3 pack)
