## PRESS INFORMATION

### **Autumn's coming - be prepared!**

Protecting precious plants from a sudden cold snap is simply a matter of being prepared and keeping an eye on the weather forecast. Plant-protection and grow-your-own specialist Haxnicks, has a range of frost protection products that can be put in place in a matter of minutes.

Old favourites, **Haxnicks Easy Fleece Jackets**, are simply slipped over the plants and secured with the integral ties. Job done!

Available in soft-green, they provide good insulation and allow light, air and moisture to filter through so healthy growth is maintained. Available in three sizes: small containers; medium containers and hanging baskets; and, large container, for exotics in pots and borders; priced at £6.99 per pack.

If you prefer something a bit more decorative, **Haxnicks Designer-print Fleece Jackets** come in three eye-catching seasonal designs that are guaranteed to brighten up your garden during the cold winter months.

Choose from 'Autumn Leaf', 'Snowflake' and 'Green Leaf'. They are made from a high-grade, winter-weight 50gsm, polypropylene fleece and are available in two sizes to accommodate most sizes of plant, priced at £7.99 per pack

For autumn vegetables, **Haxnicks EcoGreen Green Fleece Blanket** can be quickly laid over tender crops and easily secured using either pegs or heavy stones around the edges.

The dense 35gsm fleece creates and retains warmth protecting against frost and other harsh weather. The pre-cut sheet measures 1.8m x 10m and is priced at £12.99.

Haxnicks Fleece Jackets and other frost protection products are available from all good garden centres. For stockists or more information, call Haxnicks on 0845 241 1555 or go online at [www.haxnicks.co.uk](http://www.haxnicks.co.uk).
